

ONE OF THE GREATEST GIFTS YOU CAN GIVE IS YOUR TIME

Sal's Shoes finds new feet for preloved children's shoes. All of the shoes we receive are sorted and packed by volunteers before setting off to find their new owners.

SAL'S SHOES CORPORATE VOLUNTEER DAYS

"Doing good feels good..."

Volunteering in teams can give you and your co-workers a motivational boost; working together for the day towards a common goal and often utilising new skills outside of your usual day-to-day remit.

The change in environment and type of work can allow previously undiscovered strengths and skills to shine through.

You can network with colleagues you wouldn't usually get to spend time with and engage with people outside of your immediate team.

WE WELCOME TEAMS OF UP TO 10 PEOPLE AT:

If your company offers paid volunteering as part of their Corporate Social Responsibility policy or you are part of a team who want to help a good cause, we'd love to hear from you.

We kindly ask for a financial contribution of £50 per volunteer, which helps support our work.
